

The Rappahannock River District (RRD) Scholarship Program

Higher Education has always been a hallmark of the United Methodist Church. The value of resources for continued learning and higher education is fundamental to United Methodism. In keeping with our tradition of supporting higher learning, the Rappahannock River District (RRD) of the United Methodist Church has created a Student Scholarship Program. The program is maintained and administered by the RRD and is not connected with any other United Methodist board, agency, or entity. Scholarships will be awarded to applicants who meet the program criteria as funding allows. Persons eligible to apply are those who are attending or who plan to attend a college or trade school, persons who are members of a United Methodist Church on the Rappahannock River District, and persons who are enrolled in a program that presents a degree or certification.

Applicants are also encouraged to explore additional scholarship opportunities provided by the General Board of Higher Education, the Virginia Conference, local civic organizations, secular organizations, and your local church.
