## **DUST ABATEMENT**

The SweepMaster 300 is easy to tow, operator friendly and can clean a variety of surfaces. It's used as a gravel sweeper, construction street sweeper, and is also excellent on oily surfaces making it a great fit as a parking lot sweeper.

**▶ THE NUMBER 1 RENTAL FOR SWEEPERS** 

Wylie Water Wagons are specifically designed to handle rigorous outdoor water hauling projects. Wylie trailers and sprayers are DOT Compliant to transport water on highways and public roads and extremely durable for long lasting use.

THE FAVORITE WATER TRAILER OF BUILDERS, CONTRACTORS & RENTAL YARDS
