**AngelCom IT Services Appoints New Manager in Belfast**

{BELFAST, Maine, April 25, 2023}

AngelCom IT Services is thrilled to announce the promotion of Josiah Twitchell to Manager of the Belfast office location at 107 Church Street. Formally ArchAngel Computers, AngelCom IT Services provides comprehensive IT services across the country.

The management position was previously held by Alex Barnes who is still with the company and working remotely from a different state. Josiah Twitchell, a long-time employee, has seamlessly stepped into the management role and is looking forward to taking on more responsibility. Twitchell states, "I'm glad Alex will continue to work for AngelCom remotely, as he is an integral part of our team here in Belfast and he will be sorely missed in the office. I'm honored to be given the opportunity to take on this management position and look forward to the new duties this transition will bring."

During this transition, Twitchell has hired additional IT Techs for this office location. Stop in anytime to meet the new team or visit <https://angelcom.com/> for more information.

[AngelCom](https://angelcom.com/) is a technology service firm that specializes in Managed IT services for businesses. A family-owned company for more than 30 years, AngelCom is owned and operated by Jeremy Brabham – a third-generation owner with office locations in both Washington State and Belfast, Maine.
