

Dear Patrons and Friends,

Since November first, The Club Marina and Bar has been undergoing major renovations. As with many projects, the timeline for completion has been extended. Regrettably, this means we will be unable to hold our New Year's Eve celebration. We hope to reopen as soon as the new pine floor is ready for foot traffic! Please check our Facebook and Instagram for updates. Have a safe, healthy, and joyous New Year! We look forward to seeing you in 2022!

Cheers,

The Club Marina and Bar Staff
