

Our Town Belfast is hosting the 2nd ever Ice Festival! Lasts years was quickly planned and the weather was terrible, and you know what? It was AWESOME!

From the looks of it, this year's event is going to be huge! We have added the State of Maine Ice Carving Championship, more outdoor Ice Bars and event sites. Games, family stuff, Smore's & more in the works!

We are super excited but also need some help: Anyone out there that possibly has some time to join us and volunteer? Or would you like to be one of our [ice sculpture sponsors](#) (and choose the design) an Ice Carving?

We need:

- People to set up, break down & also tend the fire pits
- People/Organizations to run some of the games booths in the Family area
- Volunteers to man our Community Ice Sculpture tent and help all the creative souls place their art/ice crafts

Below is the link to the website that has lots of info and the bottom has the sponsorship & volunteer sign ups. If you hate website forms and want to volunteer, feel free to reach out here.
