Belfast, Maine

But Still I Am One Receives Maine Community Foundation Grant to Support its Work in Serving Unhoused and Home-Insecure High School Students in Waldo County

But Still I Am One has received a \$10,000 grant from the Wild Blue Fund of the Maine Community Foundation. These monies will be used to provide PEX prepaid Visa cards to high school students who are experiencing home-insecure situations such as couch surfing, living in a car, an abandoned building, a tent, or outdoors.

The grant will help these students by furnishing them with resources to buy important necessities when they are needed. Giving these young people greater agency over their own lives will help them achieve their goals and flourish.

But Still I Am One was founded in 2021 with a mission of providing services to people ages 16 to 21 who live in Waldo County and are unhoused or experiencing home insecurity. For more information, visit butstilliamone.org or contact Neva Allen at 207-200-4232.

The Maine Community Foundation brings people and resources together to build a better Maine through strategic giving, community leadership, personalized service, local expertise, and strong investments. To learn more about the foundation, visit www.mainecef.org.
