## **UNIT HELPERS**

### **Welcome to a new Career Ladder**

**Tall Pines Healthcare** in Belfast is looking for a few individuals interested in an opportunity for a career ladder. This opportunity begins with the selected persons being hired as **“Unit Helpers.”** These “Helpers” will receive free training in how to assist Nurses CNAs, and CRMAs in caring for the elderly on both Skilled, Long Term & Residential Care units.

After showing satisfactory progress, those who care to, would be offered to receive additional training to become a Certified Nursing Assistant and/or Certified Residential Medication Assistant (CRMA). Further advances on the career ladder could lead to training as a Licensed Practical Nurse (LPN) and/or Registered Nurse (RN). Come & talk with us about starting your journey in healthcare delivery.
