

Spinach! Baby Kale! Winter Squash! Seed Garlic!

Reserve your piglets!

Pre order ground beef and your bulk orders of fall vegetables!

Hello Friends,

We have been in the midst of the business of September, with lots of fall harvest and deliveries, filling bulk orders, keeping the farm store stocked, homeschooling, cutting, splitting, stacking firewood, planting winter greens, planting cover crops, finishing second cut hay, building a walk in cooler, celebrating 13 years of

marriage, piglets born, hearing that we should expect up to 4 calves in the springtime. We still have lots of potatoes, beets, carrots and cabbage to bring in, so cheer us on as we work on that in the coming few weeks.

Wild Miller Farm store is open daily, dawn to dusk. Beautiful, local food available for you every day. :)

Be in touch if you want to reserve any of the following in bulk for your fall/ winter food. We can do a more wholesale price for bulk orders. NH people, if we get a few orders, we can make a time for someone to travel one way or the other to get your orders to you. :)

Garlic 2-5 pounds \$12 / pound

Seed Garlic \$20 / pound (4-7 large cloves per head, hard neck garlic)

Potatoes 40 pounds or more \$1.50 per pound

Butternut, Spaghetti Winter Squash & Long Pie Pumpkins

40 pounds or more \$1.00 / pound

Delicata Winter Squash 40 pounds or more \$1.50 / pound

Cabbage 20 pounds or more \$1.00 / pound

Carrots 10 pounds \$20.00 - 25 pounds \$40.00

Beets 10 pounds \$20.00 - 25 pounds \$40.00

We had 9 beautiful piglets born a couple of weeks ago. They and their mama are all doing very well. Not all the piglets are spoken for yet, so if you want a chance to raise one or two of these beauties for your own freezer, be in touch soon! If you do not want to process your pig yourself, it may be easier to reserve a butcher date raising winter pigs than summer pigs, it seems that most people these days are reserving their butcher date the day they bring their animals home.

We will be sending out two steers to the butcher next month. If you want to reserve any ground beef for your freezer, let us know how many pounds you would like and we can let you know when it is available to pick up. We offer ground beef at \$8.00 per pound.
