STANLEY SUBARU GETS NATIONALLY RECOGNIZED BY SUBARU OF AMERICA

Trenton, ME--

Subaru of America recently recognized Stanley Subaru at Subaru's National Business Conference in Nashville Tennessee. This is the first time a Subaru Retailer from Maine has ever been nominated for the National Love Promise Retailer of the Year award. (In 2020, Stanley Subaru was named the Subaru of New England Love Promise Retailer of the year.)

Stanley Subaru is 1 of only 6 Subaru dealers recognized nationally for their outstanding commitment to their community and being MORE than a car company. This nomination is a testament to their dedication to making a positive impact in the lives of their customers, community, and employees. The "Subaru Love Promise" is a commitment Subaru and its retailers make to be a positive force in the communities in which they live and work, not just with donations, but with actions that set an example for others to follow. The Subaru Love Promise focuses on five core pillars, Environment, Health, Education, Pets, and Community.

"We are honored to be recognized by Subaru of America for our commitment to our community," said Stanley Subaru Owner, Mark Politte. "This award is a reflection of our team's hard work and dedication to making a difference in the lives of our community."

Stanley Subaru is proud to be a part of Hancock County, Subaru of New England, and the Subaru family, and is committed to continuing their tradition of giving back to the community.
