

Spring 2019 Retreat Sticky Wall Summary

Faculty	Partners
Melissa Wuellner, UNK – Has: Fisheries and Systems Thinking Expertise	Mike Murphy, Middle Niobrara NRD – Has: Indoor/Outdoor Classroom and Groundwater-Surface Water Interaction Graduate Student Opportunities. Needs: Composting and Woody Biomass Utilization; Water Erosion/Excess Water Management; Sedimentation Remediation and Utilization; and Engineering
David Admiraal, UNL – Needs: Collaborators in River Modeling, Hydraulic Structures, Erosion and Sedimentation and Flow Measurement	John Berge, North Platte NRD – Needs: More partnerships with DWFI Faculty Fellows through NU Extension for data gathering and research. Also, always seeking interns and researchers to aid with water quality programs
Kevin Pope, UNL – Needs: A graduate student to do angler surveys	Craig Derickson, NRCS – Needs: Other Partners/Stakeholders to leverage resources to carry out high priority conservation activities
Erin Haacker, UNL – Needs: To talk to people who live/work in her study area (Tri-Basin NRD)	Nebraska Department of Natural Resources – Needs: Student Assistant for Drought Plan Development; Modeling Efficiencies; and Science Communication
Azar Abadi, UNMC – Studying drought and human health at UNMC	Mark Brohman, Nebraska Environmental Trust – Has: Grant Funding for Water Resources
Mary Harner, UNK – Has: Access & interest in long-term monitoring platform and experience with outreach & education. Needs: Support for long-term research; Funding for staff positions; Support for student travel & training; other data sources to integrate with monitoring	Jeff Runge, US Fish and Wildlife Service – Has: Decision analysis experience and river conservation knowledge. Needs: Climate expertise; Hydrology and hydraulics modeling; Sediment transport

<p>Doug Hallum, UNL – Has: Lower North Platte and South Platte River data; Time to provide research support; Time to share content and program. Needs: Funds for operation and maintenance of observation network and interesting questions to investigate</p>	
<p>Charlie Bicak, UNK – Has Collaboration Space</p>
