## NOVEMBER & DECEMBER 2022

Dear Friends:

After a season of prayerful discernment, Tony Ciampaglio, our Office Administrator, has decided to retire. Many of you have gotten to know Tony quite well during his time on staff here at church. He has served our church congregation well in this position for nine years.

I can't begin to tell you the care and the indispensable precision with which he's approached his work. He has been excellent in resourcing our administrative committees, in overseeing the daily operations in the church office, and in managing any issues within the office staff.

Tony has been particularly invaluable to me. Never before have I had the luxury of working with a church office administrator; I've been spoiled. One of Tony's many strengths has been to provide detailed and colorful graphs and reports for our committees: the Board of Trustees, our Finance Team, and our Administrative Council, in particular. He helped spearhead our strategic planning, and our capital campaign project, "Tune Up To Praise," which was a major success. He's also helped with our annual stewardship campaigns to support our "M&Ms" ministries and missions.

Tony hasn't just enjoyed his work; he's LOVED his work. It's been a true calling for him, as much as any person, who works for the building up and the betterment of God's kingdom here on earth. Above all, Tony has been a trusted friend.

The good news is that we don't have to say goodbye. Tony's not leaving the church. He's just retiring from this position. You'll continue to see Tony around in various volunteer positions. Tony's retirement date, December 20, 2022, also coincides with his birthday. When you see him next, please offer your warmest thanks, greetings, and congratulations.

Thank you, Tony! Thank you for "Loving as Jesus Loves."

Byron

### Newest Lay Servants

Congratulations to our newest Lay Servants (L-R) Steve Swann, Jim Piccione, and Jennifer Whitescarver, who recently completed the Basic Lay Servant Course. You may be asking, what is a Lay Servant? Lay Servants are active in their local church using their gifts and talents to serve the Church. They serve in a variety of ways through care giving ministries, spoken communications, and church and community leadership. They receive specific training to develop and enhance their skills. The United Methodist Church has a Lay Servant Ministries program to provide training opportunities to equip those called to this ministry. If you are interested in learning more about this program, please see Pastor Lynn. This is where I started my journey, and I would be happy to help you discern where God is leading you. Or visit the Baltimore Washington Conference Website at: [www.bwcumc.org/ministries/certified-lay-servant/](http://www.bwcumc.org/ministries/certified-lay-servant/)

### THE HOMESTEAD PROGRESS UPDATE – Fall 2022

With the change of season upon us and some time having passed since our last update, The Homestead Sub-Committee and Board of Trustees want to provide you with the latest information on our progress. The following will recap where things stand with the four-lot subdivision, The Homestead house, and the timeline for completion.

Over the summer, a letter of solicitation was sent to several builders with a request for them to submit bids to purchase four buildable, unfinished lots on Linwood Avenue, at the back of The Homestead property. The Sub-Committee reviewed and recommended accepting a bid received by Bob Ward Homes. This recommendation was considered, then voted to be accepted by the Board of Trustees. The Trustees believe that the price offered was in line with projections The Homestead Sub-Committee had provided, and the bid was unanimously approved. Bob Ward Homes also made provisions for BAUMC members to be offered the pre-sale of these lots. If a BAUMC member is interested in purchasing one of the lots with a to-be-built home, they will have a first chance before lots are sold to the general public. Currently there is a signed contract with Bob Ward Homes; however, it is contingent upon BAUMC obtaining a final record plat. We are hoping this will be accomplished by early 2023, with the help of Frederick Ward Associates (FWA).

As previously communicated, Lee Tessier Team has been secured to act as listing agent for The Homestead house and the lot that it will sit on. The marketing process will not begin until we are closer to having new property lines accepted and platted for the four-lot subdivision, for The Homestead, and for the parcel that will be retained by BAUMC. That will most likely be after January 2023.

Frederick Ward Associates continues to execute the site development submissions and approvals for this entire project with the Town of Bel Air. On September 1, 2022 at the Town of Bel Air Planning Commission Meeting, the project received a conditional approval. This means that final approvals still need to be received on the stormwater management, water and sewage, and forest conservation plans. This is in keeping with the expected timetable to have the final record plat completed by mid-February 2023.

After the Final Plat is recorded, we can complete settlement with Bob Ward Homes for the lots, The Homestead house can be sold, and BAUMC will retain about an acre, mostly parking lots and trees from the original parcel.

Thank you to everyone who has continually offered their expertise and support. If you have any questions or comments, please feel free to contact Doug McCorkle at 410-937-6283, [doug.mccorkle@outlook.com](mailto:doug.mccorkle@outlook.com), or John Caspero at 410-236-1203, [jfcaspero3@gmail.com](mailto:jfcaspero3@gmail.com).

## Chabadza – Healing Hands Across Zimbabwe

### PREPARE THE WAY OF THE LORD

*“Be steadfast, immovable, always abounding in the work of the Lord, knowing that in the Lord your labor is not in vain.” 1 Corin.15:58*

The Chabadza-Healing Hands Across Zimbabwe Mission Team will be taking orders for its' Alternative Christmas Giving during Advent.

Our medical clinic in Munyarari, Zimbabwe provides care and respite to many of God's people who are in the greatest need. Over 1,000 people per month are helped through vaccination, pre-natal care, and basic medical treatment. In 2018, we broke ground on a new medical clinic to replace the existing make-shift structure. The Chabadza team is pleased to announce that the final building phase has been completed except for the digging of the well. The finished complex will have clean running water, a power source with back-up power, a patient waiting area, a lecture hall, separate in-patient wards for men, women, and children, an expanded 12-bed mother-to-be shelter, birthing facilities and a maternity ward. There will also be staff housing, a clinic kitchen, laundry facilities, and indoor washrooms.

During Advent, as we prepare for the celebration of the coming of our Lord, consider being his hands, feet, and voice as we complete this medical complex and reserve funds for yearly maintenance. Your gift of love assists Chabadza HHAZ to help people in need. For your donation, our mission team will provide a certificate that can be gifted to a recipient on your Christmas gift list. **Order forms are available in the Spire, E-Spire, church office, and at a Chabadza display table in the church lobby during Sundays in December after worship services.** Please contact Bev Talbot with questions, at 410-836-8412 or via email at [bev.talbot@verizon.net](mailto:bev.talbot@verizon.net). The final deadline for ordering is December 19, 2022. To ensure certificate delivery by 12/24, please order as soon as possible. Thank you!

The mission team will provide you with a certificate acknowledging this donation. You can give that certificate to the recipient as a Christmas gift in their honor.
