A NEWSLETTER FOR THE CONGREGATION AND FRIENDS OF BEL AIR UNITED METHODIST CHURCH

ENTERING THE PASSION OF JESUS

Lenten Sermon Series

by Amy-Jill Levine

Dear Friends: You're invited to come join us as we celebrate a holy season of Lent. Our sermon series for the six weeks of Lent will follow a book called, *Entering the Passion of Jesus*, by Jewish scholar, Amy-Jill Levine. What can Christians learn about Jesus from someone who's Jewish? Quite a lot; and in the words of Jesus himself, "Come and see!"

In addition to our Sunday morning sermon series, we're also inviting you to come to weekly gatherings on Thursday nights for "Soup and Study," where we can discuss these themes more in depth.

One of the unique features of the book is that it begins where Lent typically ends. It begins with Palm Sunday, Jesus' triumphal entry into Jerusalem. Then, over the rest of the Lenten season, the book will explore this final week of Jesus' earthly life. Books are not required, but they will certainly be helpful. They can be ordered through Amazon, or Christianbook.com, or Cokesbury. We'll also have a small order here in the church office.

Lenten Soup & Study – Thursdays in Lent – Begins Thursday, March 3rd

Join us each Thursday evening in Lent (March 3,10,17,24,31 & April 7) for soup, singing and discussion. As a church family we will gather in McComas Hall at 5:30-6:00 for soup & bread (and a cookie; sshhh).

We will have a time of musical worship, then study together. Our babies through elementary will go to fun and adventurous classes during the study portion. We'll conclude by 7 p.m. so that our young friends can be home in time for bedtime rituals.

The soup du jour will be published the week before so the decision can be made to eat. For example, Split Pea Soup? Nope; not on the menu. Or you may also stop at Chick-fil-A, or another fine-dining restaurant and bring your own to eat and fellowship with your Church Family. We will be studying from the book of our sermon series, "Entering the Passion of Jesus" by Amy Jill Levine – a chance to ask questions, make friends and gather with a meal.

The Thursday evening gatherings will take the place of an Ash Wednesday service, however, drive-thru ashes will be available on Ash Wednesday, March 2nd, from 12:00-1:00 PM, and the sanctuary will be open for prayer, and ashes available, from 7:00-8:00 PM.

Finance Update

From time-to-time, folks ask me how we're doing financially. My go-to answer is usually, "We're doing ok." What does doing ok mean? It means that there is always some room for improvement. One of the highlights in recent years has been that we've seen an increase in the number of people who are actively pledging, and actively giving. Through the pandemic, we've also continued to fund 100% of our staff salaries, 100% of our Missions and Ministries, and 100% of our mission shares to the Baltimore-Washington Conference Mission Center. Those mission shares go to support retired pastors, missions around the world, and administrative costs at the mission center. All this is wonderful news.

One of the areas of concern is that in recent years, our overall giving has been declining. Here's a brief summary.

2018 – We finished with a surplus of funds.

2019 – We finished the year by reaching into our surplus funds.

2020 – We received PPP (Paycheck Protection Program) "loan," which allowed us to finish "In the black."

2021 – We again received a PPP "loan," which allowed us to finish "In the black."

Those government "loans" were actually gifts, which do not need to be paid back. Without the recent help from these government loans, we would have come up short meeting our financial goals. How short? This past year, approximately \$38K. What does this mean? It means that we are beginning the conversation about making cuts to the budget in 2022 and possibly beyond.

While this can be discouraging, we are by no means discouraged. I believe in our church mission: **"Love God, Love One Another, and Make Disciples for Jesus Christ."** I believe in our church vision, to: **"Love As Jesus Loves!"** I believe that God is with us. I believe that God is behind us, and I believe that God is absolutely not done with us yet. God has been faithful to us, and we are faithful to God in return. For those of you who have remained faithful to God through your prayers, your presence, your gifts, your service, and your witness, I can't begin to thank you enough, and I can't begin to tell you how inspiring this is for me. Faithfulness inspires me to be a better person and a better Christian!

To the God, who takes two fish and five loaves and feeds 5,000+, thanks be to you, O LORD. To the God, who will multiply the work of our hands, and our feet, and our hearts, and our lives... thanks be to you, O LORD. 2022 will be a good year!

Grace and Peace,
Byron

MARCH 2022

Over the past two years there has been a significant amount of work considering the future of The Homestead house and property. On February 7, a Church Conference was held at 6:30 p.m. to present to the congregation the findings and recommendations of the Board of Trustees and Administrative Council. Following the presentation and discussion there was a vote taken and approved to sell the Homestead and surrounding property, additionally apportioning four building lots at the far corner of the property.

The meeting was held under a unique situation due to COVID, but enabled through technology. The Baltimore Washington Conference District Superintendent, Rev. Ann LePrade presided over and facilitated the meeting via zoom. Our membership attended both live in the sanctuary and through zoom, with in person and virtual voting occurring to tally the vote.

While a lot of work has occurred leading up to this point, we now will embark on the process to prepare the property for sale including relocating storage sites. It is expected to take three to four months before the property is put up for sale.
