God of All Mercy, we confess that we have sinned against you. We have denied your presence and your goodness in each other, in ourselves, and in the world you have created. We repent of the evil that enslaves us, the evil we have done, and the evil done on our behalf. Forgive, restore, and strengthen us through our Savior Jesus Christ, that we may abide in your love and serve only your will. **Amen.**

## **Joyful, Joyful, We Adore Thee**

Joyful, joyful we adore thee, God of glory, Lord of love;  
hearts unfold like flowers before thee, opening to the sun above.  
Melt the clouds of sin and sadness; drive the dark of doubt away.  
Giver of immortal gladness, fill us with the light of day!

All thy works with joy surround thee, earth and heaven reflect thy rays,  
stars and angels sing around thee, center of unbroken praise.  
Field and forest, vale and mountain, flowery meadow, flashing sea,  
Chanting bird and flowing fountain, call us to rejoice to thee.

Thou art giving and forgiving, ever blessing, ever blest,  
Well-spring of the joy of living, ocean depth of happy rest.  
Thou our Father, Christ our brother, all who live in love are thine;  
Teach us how to love each other, lift us to the joy divine.

Mortals, join the mighty chorus which the morning stars began;  
love divine is reigning o'er us, binding all within its span.  
Ever singing, march we onward, victors in the midst of strife;  
joyful music leads us sunward, in the triumph song of life.

## **I'll Praise My Maker While I've Breath**

I'll praise my Maker while I've the breath;  
and when my voice is lost in death,  
Praise shall employ my nobler powers.  
My days of praise shall ne'er be past,  
while life, and thought, and being last,  
or immortality endures.

Happy are they whose hopes rely on Israel's God,  
who made the sky and earth and seas, with all their train;  
whose truth forever stands secure,  
who save th'oppressed and feeds the poor,  
For none shall find God's promise vain.

The Lord pours eyesight on the blind;  
The Lord supports the fainting mind  
and sends the laboring conscience peace.  
God helps the stranger in distress,  
the widow and the fatherless,  
and grants the prisoner sweet release.

I'll praise my God who lends me breath;  
and when my voice is lost in death,  
praise shall employ my nobler powers.  
My days of praise shall ne'er be past,  
while life, and thought, and being last,  
or immortality endures.
