### **UPDATED IN-PERSON WORSHIP GUIDELINES**

- Masks are optional for fully vaccinated people. We encourage vaccinations.
- As an act of Christian love, and in order to protect the most vulnerable among us, we do invite you to wear your mask while singing!
- Registering for worship, and checking-in with worship attendants, is a great help to us.
- Please continue to be thoughtful toward others; use hand sanitizer and wash hands regularly.
- Be sensitive that some may be uncomfortable shaking hands. Elbow bumps are a fun and safe alternative.
- Please be advised that worshipping indoors may be a high-risk activity for COVID-19 and its variants. You are always welcome inside, but please be aware of the risk.
- Thank you for your help and support! God is with us and will help us through this!
