How Do I Become a Member of Bel Air United Methodist Church?

We're glad you asked! We are always blessed to receive new members into our church family. Membership is an important step in our spiritual growth and in our journey together. In joining the church, we affirm our love for Christ and express our desire to worship, serve, and grow in connection with others. If you have been attending Bel Air for a while and would like to explore membership, we want to help you take your next step.

In our 3-week membership class, you'll make new friends while you learn about the church. We'll provide important information and plenty of discussion time to help you make your decision about membership. The class includes:

- An overview of basic Christian beliefs.
- The core emphases of the United Methodist tradition.
- The Mission, Vision, and Core Values that are unique to Bel Air Church.
- The many ways the people at Bel Air Church are growing as disciples of Jesus Christ.
- Good conversation, and lots more.

STEWARDSHIP IN ACTION

JANUARY/ FEBRUARY 2020

We are all stewards of the resources, abilities and opportunities that God has entrusted to our care. Good stewardship is an ethic that embodies the responsible planning and management of those resources. At BAUMC, the responsible planning and management of the resources that you provide falls on our ministry team leaders, facility management team and committees such as our Board of Trustees, Finance Committee, and Administrative Council. Much of this work is done behind the scenes, developing and executing plans and projects. Beginning with this issue of the Spire, we hope to periodically share with you the results of our stewardship in action.

One of those projects, reducing our electricity consumption and cost, has been a work in progress for about four years. With regards to electricity consumption at the Linwood campus, in 2016 our annual electricity bill was about \$35,000 or \$3,000 per month. In the late summer of 2016, we started a project supported by BGE and Rexel. By the end of December, we had replaced every one of the ceiling-mounted fluorescent tube fixtures (a little more than 400 of them) with higher efficiency and lower operating cost programmable LED fixtures. This work was all done by volunteers.

Comparing our consumption at the end of 2016 to YTD November, 2019, we have cut our electric consumption by 142,699 KWHRs or 31% for a total annual savings of about \$11,000 compared to 2016. But, it's not just about the money. Reducing our electricity consumption is also good for the environment. Since then, we have continued to replace all of our lighting with higher efficiency and lower operating cost LED bulbs. In the immediate future, there will be less opportunities to reduce our electricity consumption and cost through lighting retrofits. However, our recent Sanctuary AC unit replacement will provide additional reductions next year as the new unit is smaller and yet more efficient than the original one.

For 2020, the Board of Trustees is already planning to work on reducing our water consumption through, in part, more efficient plumbing fixtures. Reducing our water consumption has the double impact of reducing both our water and sewage bills. We will also be working with our Creation Care team on some environmentally-beneficial projects on our front lawn along route 924.

During this holiday season, we sometimes get caught up in the frenzy of gift buying and forget the true meaning of Christmas, the birth of our Savior Jesus Christ. Our church's mission statement, To Love as Jesus Loves, reminds us that we are to be stewards for Christ. Please consider a monetary gift to the Pass It On Ministry to allow us to continue assisting fellow Harford County residents with BGE Turn-Off notices, evictions, and security deposits.

Thank You, Pass It On Ministry

SCHOLARSHIP OPPORTUNITIES OFFERED BY BEL AIR UNITED METHODIST CHURCH

Bel Air United Methodist Church offers two scholarship opportunities. One is for high school seniors who will graduate in Spring 2020. The second is for individuals who are seeking education after high school, but are not 2020 graduating seniors.

Applications for each scholarship will be available in late January. Watch for announcements in the e Spire and bulletin for the date the scholarship applications are available.

Details below describe the each scholarship.

- BAUMC Church Involvement Scholarship (for graduating high school seniors)

The Bel Air United Methodist Church Involvement College Scholarship is offered to high school seniors who are members of the church and who will be entering the first year of college in Fall 2020. Scholarship applications are reviewed and evaluated on three criteria – academic achievement, community and church involvement, and letters of recommendation. This scholarship award began in 1980 through a gift from Ben and Rachel Tobin, and donations from members and friends of BAUMC fund the scholarships awarded each spring.

- BAUMC Church Pay It Forward Scholarship

The “Pay It Forward Scholarship Endowment” provides funding for individuals seeking education beyond high school. This includes traditional higher education, trade school, apprenticeships, or job training/retraining/certifications. Applicants may be:

- o high school graduates;
- o GED completers;
- o individuals currently in the workforce;
- o unemployed individuals.

While the items listed below are not requirements, preference is given to:

- o Individuals attending Bel Air United Methodist Church.
- o Individuals unable to continue schooling without financial assistance.
- o Individuals committed to attending a local community college, trade school or apprenticeship program.

Applicants do not have to have stellar academic records, but must demonstrate a determination to attain further education/training.

The Pay It Forward Scholarship is a renewable scholarship. Successful applicant(s) are encouraged to apply for renewal and must show evidence of successful progress in working to complete his/her program.

Recipients of the scholarship are encouraged to financially support the program once established in their careers.

Both the BAUMC Church Involvement Scholarship and the Pay It Forward Scholarship are administered by the BAUMC Scholarship Committee Team. For further information on these scholarships, contact Carol Sherman (cwsherm@verizon.net).

Girl Scout Troop 2 invited area scouts and their families to join them in spreading holiday cheer singing Christmas carols. They added the request to bring wagons so that if anyone would like they could donate any non perishable food items for the food ministry. The girls were thrilled with the brief rain showers they had 74 people with scouts as young as kindergarten up to high school juniors show to carol with them. Could you imagine opening your door to 74 singing people??? Afterwards, the girls and families enjoyed some Hot cocoa and marshmallows. We delivered the food Sunday Morning after the 9:15 service. They had so much fun they hope to do it again next year.
