

Elkhorn Road to River Street

TRAFFIC SHIFTS AHEAD!

The Idaho Transportation Department plans to shift traffic to the east side of State Highway 75 (SH-75) in early July.

Upcoming impacts:

- One lane will remain open in each direction on SH-75 between south of Elkhorn Road and Serenade Lane.
- Traffic is expected to remain on the east side of SH-75 through late 2025.

Later this summer, Trail Creek Bridge work will require lane restrictions and a detour.

What to expect during bridge work:

- Southbound access to SH-75 will be restricted between Serenade Lane and River Street beginning in August. A detour will be in place.
- The bridge detour is expected to remain in place through late 2025.
