

### **Tri Cities Home and Garden Show Moves to May 21-22, 2021**

As we monitor the pandemic and due to the recent spike in cases and uncertainty brought about by the COVID-19 Pandemic, we are pleased to announce that we have been able to secure later dates for the 2021 Tri Cities Home and Garden Show, originally scheduled to take place in March.

**The Tri Cities Home and Garden Show will now take place May 21-22, 2021 at the Former Sears Building at Southpark Mall.** We are confident that this date change allows us the greatest chance of success as we navigate through the challenges of producing large public events during a pandemic. We are working closely with the venue and local authorities to ensure a safe event that meets all local safety regulations and guidelines.

There is nothing you need to do currently. You will automatically receive your same booth space in the May show.

We have surveyed our exhibitors and our consumers, and we know that there is enthusiasm among both groups who say they are looking forward to returning to our Home Show as soon as it is safe to do so. Although this may be later than normal, we believe that the pent-up consumer demand brought about by the pandemic will allow us to be successful in the later May dates.

We appreciate your patience during this difficult time, the safety of you our vendors and the public are our chief concern.

Sincerely,

Tri Cities Home and Garden Show
