

Tri Cities Shop Small, Buy Local Community Gift Card (Mastercard)

For merchants:

The holidays are around the corner and this year at The Colonial Heights Chamber, we want to encourage everyone in our community to keep their holiday shopping local. Our Tri Cities Buy Local Shop Small eGift Card powered by Mastercard makes the perfect gift or stocking stuffer and is also a way to show to support our local businesses! Consumers can purchase the Card as a gift for a friend, colleague or family member and companies can send it to employees as a special holiday gift. The important thing is the dollars stay local and benefit our shops and restaurants and our Community.

People will purchase the Cards online and email, text or print them for use in your shops and restaurants. To accept the Cards you need to be able to process a key-entry (like a phone order) Mastercard, and you are paid through your credit card bank in your normal settlement, with your normal Mastercard CNP processing fee. The Cards only work at participating merchants, i.e. those who opt-in.

More info on the program is attached.

If you are interested in being able to accept these Cards and the additional business they bring to your store during the holidays call today.
