

Colonial Heights Chamber of Commerce Member Mosquito & DSV Special

It's almost that time of year. The days are getting longer and they're getting hotter. Which also means MOSQUITOS. Right now we have a very special offer for our fellow members of the Colonial Heights Chamber of Commerce. Call us at 520-BUGS, and you will receive 25% off of our mosquito treatment for the entire season when you pre-pay OR 15% off with our autopay plan when you use the code CHC2020. Our Mosquito treatment service runs from April to October.

Did you know we also provide disinfectant services as well? We have a product we offer called DSV (Disinfectant Sanitizer Virucide). This product is LABELED and PROVEN to kill the Human CoronaVirus.
