**Petersburg, VA** – On Thursday August 30, Southside Regional Medical Center (SRMC) held a blood drive with the American Red Cross. Because of the help of staff, volunteers, community members and the support of local media, SRMC was able to nearly triple the results of the last blood drive held in 2016.

#### **35 Pints Collected = Up to 105 Lives Saved**

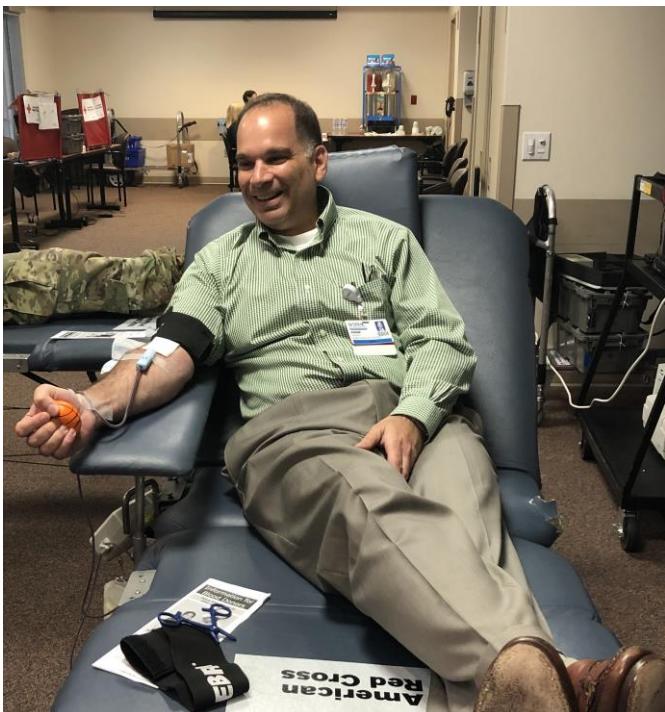

SRMC set a goal of 30 pints for this event and wants to thank everyone for helping make it such a success. The next blood drive is Thursday November 8, 1pm-7pm and registration open soon.
