Since 1989, the Colonial Heights High School senior class parents have organized an After Prom Celebration—the longest running event in our school district. This activity provides an alcohol and drug-free night environment for our graduating seniors. This year's After Prom event is scheduled for May 19, 2018 at Colonial Heights High School.

Parents are working countless hours to provide a memorable, entertaining evening of alcohol free and drug-free fun. This event sends a clear message to every student that we care about their safety.
