

## American Red Cross

# Partner with us

The Red Cross is always looking for local, committed community and business partners to help us provide services and outlets for our programs. Red Cross partners are as diverse as the people receiving Red Cross services. It takes people of different ages, from different backgrounds and with different skills to make this organization work.

There is a variety of things to do, and each partnership is unique.

Contact us to learn how the Red Cross can help you, and how you can give back to humanity as a Red Cross partner.

### How you can help the Red Cross

#### **Volunteer**

Red Cross volunteers touch lives every day. They are as diverse as the people receiving Red Cross services. It takes all kinds of people to make this organization work — different ages, different backgrounds and different skills.

#### **Support Your Local Red Cross**

From local house fires to large disasters, your gift supports the lifesaving mission of the American Red Cross in your community, in the country and around the world.

#### **Provide a Shelter**

Prepared shelters are a vital resource to providing warmth, safety and comfort to those affected by disaster. Organizations work with the Red Cross to utilize their facilities in the event of an emergency or disaster.

#### **Purchase Health and Safety Products**

Caring just got easier. Stock up on emergency preparedness and first aid kits for your business, family, friends and pets.

#### **Donate Blood**

Someone in the U.S. needs blood every two seconds. Blood cannot be manufactured — it can only come from generous donors.

### How the Red Cross can help you

#### **Free Information Booths**

The Red Cross offers free information booths for service fairs, health fairs and other community events. Volunteers provide free information on preparedness, volunteering and other services.

#### **Free Preparedness Education**

In times of disaster, vital resources that we depend on may be unavailable. Prepare now to minimize the effects of disasters on your business or home with one of our free preparedness services tailored to all ages and needs.

#### **A Self-assessment Tool**

Ready Rating™ is designed to help businesses and schools improve their level of preparedness. Emergencies are inevitable, so we have to be prepared.

#### **Health and Safety Training**

Red Cross instructors give people the tools to become lifesavers. Course offerings include CPR, First Aid, AED, Aquatic Safety, Wilderness and Remote First Aid, and more. Certifications are available.

#### **Free Assistance for Those in Need**

The Red Cross provides disaster relief assistance to individuals and families affected by disasters, meeting people's immediate emergency disaster
