

#### PROFILE

**FAMILY VALUES.** Dunlop House is a local, family-owned senior care provider with deep ties and rich history in Colonial Heights. It began with a dream to honor a family patriarch—a dream that became reality in 1999 when Dunlop House first opened its doors. Built on a stretch of land that was once a thriving dairy farm, our community is beautiful both inside and out. The rural setting is quiet and welcoming, yet still convenient to the greater Tri-Cities area—just one of the many things that families love about life here.

For 17 years, Dunlop House has provided quality senior care with dignity and respect, resulting in a reputation as one of the finest assisted living and memory care communities in the region.

Assisted Living & Memory Care

# FEBRUARY 2019

## Business of the Month

#### WHY DUNLOP HOUSE?

Dunlop House was chosen as the February Business of the month for many reasons. Dunlop House is more than just an assisted living facility. Yes, the residents are at the top of their priority list, but the community comes in close second. Dunlop House host a variety of community events such as the annual Fill the Bowl coming up on March 14<sup>th</sup> which benefits the Colonial Heights Food Pantry, and the blood drive on February 9<sup>th</sup>. They host many events like this and are very generous to local non-profits.

Dunlop House is always available to support the Colonial Heights Chamber, from sponsorships to hosting our Hometown Heroes Banners, they always step up and are willing to serve.

Dunlop House also supports the community by letting students volunteer to be with residents and opening the day room up for different functions.

The staff of Dunlop House are always very friendly and easy to work with. The love and care for the residents along with the service they display to the community earned them the February 2019 Colonial Heights Chamber of Commerce Business of the Month. Congratulations for all your hard work.
