The **12th Chesterfield-Colonial Heights Christmas Mother Live/Silent Auction** will take place at the Cultural Center of India on the evening of **Saturday, November 16, 2019**. Save the date to join us for a special evening with great auction items, heavy hors d'oeuvres and adult beverages. Auction tickets are **\$60.00** per person. Sponsorships and donations for bidding items should be received by **November 1** to insure inclusion in the program. For tickets and/or sponsorships, you may also contact Phyllis Poats (804) 276-3914.

We would like to thank those that provided support via sponsorship or auction items again and hope that you will do so again this year.

We are hoping more of you (individuals, companies, and organizations) will take the opportunity to become a sponsor of the auction. Your commitment as a sponsor will help make the auction a huge success! Sponsorship opportunities include:

Gold Sponsor: \$1000

- 10 tickets to the auction
- A reserved table, if planning to attend
- Name recognition in program and at event entrance
- Acknowledgement on Facebook and Twitter

Silver Sponsor: \$500

- 4 tickets to the auction, if planning to attend
- Name recognition in program and at event entrance
- Acknowledgement on Facebook and Twitter

Santa's Helpers: \$100

- Name recognition in program and at event entrance

As a sponsor of the auction, you will exemplify the spirit of giving which is the very foundation of the Christmas Mother program. Our 501(c) 3 nonprofit charitable organization is run by a committee, whose dedicated volunteer members give countless hours of their time to help give less fortunate children and elders a better Christmas. Over 5000 members of our community were helped in 2018.

All proceeds of the auction will go directly to the Christmas Mother fund to help the many local families who need assistance this holiday season. We hope to see you at the 2019 auction. Come join the festivities. Wayne Covil from Channel 6 News is the evening's auctioneer. The food is fabulous! You can mingle with other leaders of the community, and come away with great items. You get all of this while helping to brighten the lives of our local children and elderly during the holiday season. Please consider lending us your valuable support.

Sincerely,

Jeanne Hensel
