

Colonial Heights Food Pantry Volunteers Needed

Delivery Drivers Needed

Monday - Friday 9:30-11:00 am

Delivery drivers pickup store donations using their own vehicle or the pantry's refrigerated delivery truck (as approved). They follow the monthly schedule set by the Volunteer Coordinator and fill in for other drivers as needed. We currently have a need for a Wednesday morning driver.

Food Distribution Volunteer

Thursday 5:30-8:30 pm and Friday 11:30 am-2:30 pm

Distribution volunteers help give out food in the different sections of the distribution line, restock shelves and tables with food, push recipients' carts with food to their cars, and assist with Pantry clean up.

Food Processor

Monday through Friday 9:30 am-12 noon

Food Processors help with the daily deliveries of food brought in by our volunteer delivery drivers and the community. Food Processors unload deliveries from vehicles, weigh the items and sort foods to prepare and store for our weekly food distributions.

Group Volunteer Opportunities

Contact our Volunteer Coordinator by calling the pantry at 804/520-7117 for details and to arrange a date and time for your group. We ask that groups not be larger than 10 per visit.
