

Maddie's Magnificent Play Park

Colonial Heights, Virginia

Playground for All - Inclusive Play

The Maddie Mann Foundation for Accessible Play is a non-profit, tax deductible organization dedicated to making communities more accessible. Our flagship project is to create a universally designed playground in White Bank Park that will enable children with and without disabilities, Veterans, Parents, Grandparents, and everyone the opportunity to play. Play is a critical part of development and typically ADA compliant playgrounds pose barriers that keep children and families on the sidelines.

The beautiful, waterfront White Bank Park currently hosts many local events and has trails, frisbee golf, pavilions, large parking lot and updated restrooms.

Your support for this playground will provide a valuable "service" to every single person who plays on it for years to come. Please consider giving the gift of play and showcasing your philanthropic support as a sponsor.
