

POSITION AVAILABLE

TOWN OF SOUTHOLD

ENVIRONMENTAL PLANNER

Provisional Environmental Planner. Join our team & make a difference!

This position will have a key role in protecting our natural resources, and guiding responsible development.

Responsibilities: Conduct environmental reviews for subdivisions, site plans, and Town legislation. Evaluate environmental impacts of development and recommend mitigation alternatives. Assist with review of Planning Board applications, including preparation of staff reports and maps. Perform field inspections for clearing limits, revegetation, and covenant compliance. Translate findings into clear reports, maps, and visual materials that support informed land-use planning.

Qualifications:

We're looking for someone passionate about environmental and community planning. The ideal candidate has a solid understanding of community and regional planning principles, especially as they relate to protecting natural resources. A background in environmental or natural sciences is helpful, particularly for interpreting scientific data and applying it to real-world planning decisions. Ability to identify native plants, and experience with GIS are a plus.

Requires a Bachelor's degree in Environmental Studies, Biology, Geology, Environmental Planning, Marine Biology or Oceanography, and two (2) years of experience in environmental planning. Additional graduate education in the above listed fields or in Planning will be substituted for experience on a year-for-year basis.

Competitive benefits. Annual salary range \$65,968 - \$79,825.

This is a provisional position: the successful candidate will be hired with the provision that the employee must take the next scheduled Suffolk County Civil Service exam for Environmental Planner and score high enough to be within the top three willing acceptors of the position. Please send a cover letter & resume by **December 30th at 4pm** to Denis Noncarrow, Southold Town Clerk, P.O. Box 1179, 53095 Main Road, Southold, New York 11971-0959 or by email to planningdept203@gmail.com
