

Want to Make a Difference?

Join our Human Rights Committee!

The Venture Human Rights Committee (HRC) has ongoing open enrollment for people who want to positively affect the lives of those receiving services through our agency. As a committee, we promote and protect the basic human rights of individuals served, and review practices of the agency to ensure compliance with “standards to promote dignity.”

This committee meets on a quarterly basis. There is very little time commitment involved in becoming a volunteer.

If you are interested in attending a meeting and becoming a member of the committee or would like more information, please contact:
