

# HEARTWORDS

PRESENTS A BOOK OF POEMS WRITTEN BY OUR PARTICIPANT

**Write a poem about the person you know best....You**

The definition of a poem is a group of words that express an emotion or idea, sometimes they rhyme or just sound good to your ear. Sometimes you can repeat one line over throughout the poem. This is the only prompt. We want you to take your time and really try to tell us about you. Get creative and don't stress about your writing. It's heart Words and the goal is to help you write from your Heart.

**“WORDS AND HEARTS SHOULD BE HANDLED WITH CARE,  
FOR WORDS LIKE HEARTS ARE MEANT TO SHARE.”**
