

## METRO TOGETHER

### Seeking Hosts for Buy-In Parties

to be sold in conjunction with Metro Together

Metro Together will take place April 8th, 2022 at Southern Hills Country Club. This is an amazing opportunity for the Metro community to come together and raise funds for our school.

We want to encourage community through Buy-In Parties! What is a Buy-In Party? It is an event that a member of our Metro Community will sponsor and host. These gatherings can happen in a home, a restaurant, an event space, outside, inside – the sky is the limit! Members of our Metro Family will have a chance to purchase an opportunity to attend these mini-events through our online auction and at the event on April 8th. The goal is for the entire ticket price to be donated to the school. For example, if you host a party for 35 people, you provide everything needed for the mini-event. Together we determine that your party is worth \$50 per person. If your party sells out, you have made \$1750 for the school!

Who can host? Men, women, families, coaches, teachers, grandparents, alumni . . . anyone who loves bringing groups of people together. Anyone who has a gift they can turn into an event and share with a group of people.

Who are the events for? Men, women, mothers and daughters, fathers and sons, families, couples, students . . . any age or group of people can be a target audience.

We have a goal of 20 unique buy-in parties so we need your help!
