

Metro contacted the Tulsa Health Department and responded by immediately shutting down the remaining basketball camps for additional cleaning and investigation. No other athletic camps are scheduled until Monday, June 22, 2020.

Was my child exposed? If your student was involved in the baseball or basketball camps, the potential for exposure exists. The child attended Elementary Baseball Camp and Elementary Basketball Camp on Monday and Tuesday of this week. The child has not been back on the Metro campus since Tuesday afternoon.

If you feel you want to have your student tested, please contact your primary health care provider, or you can register on-line with the Tulsa ER & Hospital (<https://tulsaer.com>). Please note, we've been informed that results take anywhere from 24-36 hours.
