

# ARTS

- DISPLAY CASES
- KILN INSTALLATION
- DRUM BOOTH AND SHIELD

**FUNDRAISING GOAL: \$25,000**

## DISPLAY CASES

The Fine Arts Display Cases are a tangible testament to the significance of arts education within Metro. The cases serve as a platform for showcasing awards and achievements, further recognizing the excellence and dedication of the students.

## KILN INSTALLATION

This project provides appropriate installation and improvement for our Art Kiln. The installation improvements will bring a new sense of joy and creativity to all Middle and High School Art students when creating works of art out of clay.

## DRUM BOOTH AND SHIELD

Metro's magnificent High School Praise and Worship Team needs a new drum booth and shield to provide acoustic separation and redirect the sound. Given the variety of events held in the auditorium every week, a new setup is crucial and would allow for greater ease of installation.

**THE ART DEPARTMENT REACHES HUNDREDS OF STUDENTS EACH YEAR, PROVIDING THEM WITH A CREATIVE OUTLET AND OPPORTUNITIES.**
