

The Law Enforcement Torch Run is the largest grassroots fundraising and public awareness vehicle for Special Olympics in the world. Last year, nearly 2,000 officers representing more than 200 agencies carried the Flame of Hope in honor of Special Olympics New York athletes. In 2016, the program raised over \$2 million to support Special Olympics New York programs!

The mission of Special Olympics New York is to provide year-round athletic training and competition in Olympic style sports for individuals with intellectual disabilities. Competitions and training programs are run year-round and are offered at no cost.
