

International Women's Day March 8, 2017

You are invited to attend a Luncheon on Wed. March 8th. to celebrate International Women's Day at the Queensbury Hotel Ballroom, Ridge St., Glens Falls. The event, 11:30 - 1:30, will include a delicious Italian Buffet for \$30. Our speaker is Karen Flewelling, author of "Drilling for Hope: One Woman's Work to Provide Clean Water". Karen has traveled to countries in Africa, Central and South America where she strives to help women and girls get water wells operating in their own communities.

International Women's Day began in 1907 in various countries but was formalized in 1975 by the United Nations. In 1977, the UN General Assembly adopted a resolution proclaiming "UN Day for Women's Rights and International Peace to be observed on any day of the year by Member States in accordance with their historical and national traditions". International Women's Day is observed in 100 countries on March 8th and is an official holiday in many countries.

We are encouraging you to come to this unique celebration and to bring a friend or a co-worker as we celebrate with women in our community and around the world. Karen's book will be available for purchase. She welcomes donations through checks and cash.

Thank you,
The Soroptomist of the Adirondacks, Zonta Club of Glens Falls, and Adirondack Branch, American Association of University Women.
