

The Boys Choir of Hampton Roads

Under the direction of Dr. Julius McCullough, this outstanding choir will perform in our Church on Sunday, 22 February at 3:00pm.

Founded in 1997 as a resource to help boys develop a positive self-image through singing, the Boys Choir of Hampton Roads has performed with the Virginia Symphony Orchestra and toured throughout the United States, earning praise for its musical excellence.

Bring your family and friends and enjoy an afternoon that educates, uplifts, and celebrates Black excellence through music. Light refreshments will be served following the concert.
