Pray for People

Gracious God, whose gifts of love are shared with abundance and generosity in this season, whose only Son, Jesus, is the ultimate gift of love, create in us that same spirit of compassion and generosity.

Give us eyes to see the needs of those around us. Inspire our minds to be your hands of support to those who might struggle. Open our hearts that our gifts are coupled with kindness and grace. Let our work be a witness to gratitude for the countless blessings you have already bestowed upon us.

Let all this be for benefit of your Kingdom that is coming to pass. In the name of your Son, Jesus, through power of the Holy Spirit. Amen.
