

1. International Lemberger-Award 2019 „Vaihinger Löwe“

Dear Vintners,

for over 25 years the “Weinlöwen”, a group of Lemberger-growing vintners, have been organizing a Lemberger wine-tasting in Vaihingen /Germany. But as this grape variety deserves more international attention, we are expanding our competition internationally. The “Weinlöwen” are supported thereby by the wine Burgenland (www.weinburgenland.at) as well as the “Weinbauschule Weinsberg”.

A replica of the historic Vaihinger golden goblet in the form of a lion has since been awarded to the respective winner of the individual categories - the "Vaihinger Löwe".

We would like to invite you to send your wines of the grape variety Lemberger / Blaufränkisch / Kékfrankos for tasting.

The wines are blind tasted by an international jury. The media partner is the magazine “VINUM”, which will report in detail in issue 05/2019.

It is tasted in two categories:

Cat. 1 "Elegance": up to and including 12.5% vol on the label

Cat. 2 "Powerful": from 13% vol on the label (from 12.6% vol in analysis)

Please register your wines using this [simple form](#).

Per wine we charge 60 € (gross) for the tasting. From five wines registered per winery, the amount per wine is reduced to 50 € (gross). Since we are an association, no VAT can be shown.
