

FOR IMMEDIATE RELEASE:

ANTHONY ROAD WINE COMPANY TO RELEASE NATIONALLY ACCLAIMED RIESLING & HOST MONTHLY SUNDAY SUPPERS

Penn Yan, NY- December 2018- Anthony Road Wine Company will release the highly-anticipated 2014 Art Series Riesling on Saturday, January 5th. "It was one of my favorite Rieslings on my trip" said Mark Squires, international wine critic with Robert Parker Wine Advocate, "It is a big mouthful, exuberant, filled with underlying flavor, gloriously fresh and nicely textured." He awarded the 2014 Art Series 94 points.

That wasn't the only praise the Riesling received! Award winning author, Dr. Jamie Goode, gave the 2014 Art Series Riesling 92 points. He describes it as having, "a very bright lively finish with nice mineral acidity." The spontaneous fermentation process lends character and complexity to this dry Riesling. Complimentary tastings will be available during business hours Saturday, January 5th. The 2014 Art Series will also be a featured wine at Anthony Road's first Sunday Supper on Sunday, January 6th, 2019.

Sunday Suppers will be held on the first Sunday of each month. Intimate, family style meals will be prepared by outstanding Finger Lakes Chefs and accompanied by Anthony Road wines. The kick-off dinner, on January 6th, will showcase the culinary expertise of Chef Samantha Buyskes. She has been focusing on locally sourced, sustainable, traceable, and seasonal cuisine in the Finger Lakes for over 15 years. When asked how she feels about Anthony Road's new Sunday Supper venture, Buyskes says she loves the idea, "Sundays are for gathering and I love the idea of bringing people together over curated seasonal dishes and expertly crafted wines where stories, laughter and tears have a place to happen."
