

READ THE BIBLE FOR LIFE

4+1 PLAN

Welcome to the *Read the Bible for Life 4 + 1 Plan*. In using this plan you will read through the entire Bible in a year and through the Psalms twice. The advantage of this type of plan is that you will be exposed to various parts of the Old and New Testaments simultaneously, which will keep your reading very fresh and remind you of “the whole counsel of God”! The plan is “semi-chronological” at points, the prophets of the Old Testament and the letters of the New Testament placed in rough chronological order. There are 6 days of reading each week, giving you a day to rest or catch up with a missed reading. I pray you will enjoy your time in the Word this year!
