Technology Learning Center

8221 Auburn Rd., Concord, OH

Life at 50+ (Encore years) can be challenging:

- My company downsized me.
- I thought my retirement was taken care of, but...
- Looking for a job at my age is almost impossible.
- I'd like to start a business. Where do I begin?
- I'd like to be involved in my community. How?
- I need to chart a new course. Where's the map?
- I want to volunteer or be involved in civic affairs. How?

Encore NEO is a place where you can get guidance and direction and be connected to career-enabling and life-enriching resources.
