

Holiday Food Drive

sponsored by the SGA

Each year the Student Government Association sponsors a Food Drive to benefit local families. The donations collected through this drive are distributed between many community distribution centers in Maryland and Delaware, ensuring the donations have an immediate local impact by providing holiday meals for those in need.

The SGA asks students, faculty, and staff across all divisions to participate in this important event beginning November 17 by bringing in canned goods, non-perishable food items, and **a donation of at least \$5 per student**. All donations should be turned in to homeroom teachers no later than the morning of December 18.
