

FOODCORPS SERVICE MEMBER

Norwalk Public Schools Position Description

Who We Are

FoodCorps is a nationwide team of AmeriCorps leaders that connects kids to real food and helps them grow up healthy. We do that by placing motivated leaders in limited-resource communities for a year of public service. Serving under the direction of local partner organizations, our service members focus on three areas of service:

- **Hands-on learning:** students grow, cook, and taste new foods, which builds their skills and changes food preferences
- **Healthy school meals:** the cafeteria experience steers students towards the healthiest options and gets them excited to try new healthy foods
- **Schoolwide culture of health:** as a whole, the school community and environment – from hallways to classrooms to cafeteria to grounds – celebrates healthy food. We measure our success in terms of changes in children, schools, and systems.

Other cafeteria efforts include collecting feedback from students to inform menu item and promoting school breakfast.
- Build schoolwide cultures of health by working closely with teachers and school administrators, recruiting and engaging volunteers, and organizing committees and running meetings to accomplish school goals for supporting a healthy school food environment.
