The 2019 EXPO

Science Technology Engineering Math

Preparing Norwalk's youth through Communication, Collaboration
and Problem Solving.

When: March 16th, 2019

**Where: Brien McMahon High School
300 Highland Ave.
Norwalk Ct. 06854**

**Time: Set up: 8:30-10:00 am
Kick-off: 10:00 am**

The third annual NPS STEM Expo is a place to share your passion and knowledge with your classmates and show the community how STEM can be used to shape and impact your future.

This year's theme:

Engineering for the Future

Solutions created, designed and developed by Norwalk's future
