

COVID-19 Dashboard

NPS is committed to keeping families informed about cases of COVID-19 in our district. When a confirmed positive case has been identified, the Norwalk Health Department conducts contact tracing and notifies NPS. Students or staff members who may have been in close contact with a COVID-positive person will be notified by the school or district and required to quarantine.

Important Notes:

- Data includes NPS staff & students only.
- To protect privacy, NPS will not identify whether a case is a student or staff member.
- Close contact is defined as an individual who was within 6 feet or closer, for 15 minutes or more.
