## Safe Clinical Practice

The Molina Healthcare Patient Safety activities address the following:

- Continued information about safe office practices
- Member education; providing support for members to take an active role to reduce the risk of errors in their own care
- Member education about safe medication practices
- Cultural competency training
- Improvement in the continuity and coordination of care between providers to avoid miscommunication
- Improvement in the continuity and coordination between sites of care such as hospitals and other facilities to assure timely and accurate communication
- Distribution of research on proven safe clinical practices

Molina also monitors nationally recognized quality index ratings for facilities from:

- Leapfrog Quality Index Ratings ([www.leapfroggroup.org](http://www.leapfroggroup.org))
- The Joint Commission Quality Check® ([www.qualitycheck.org](http://www.qualitycheck.org))

Providers can also access the following links for additional information on patient safety:
