

Auburn Hills, MI McDonald's Image Modernization

Project Summary:

FFS worked with Wolgast Corporation on this remodel project for the McDonald's in Auburn Hills, MI. For this renovation, FFS supplied the **CastWal** 8' x 4' panels 8"x 8" pattern primed in Mink to update the look of this existing restaurant. FFS supplied the majority of the exterior finishes on this project.

Meet Owners Goals, Values and/or Expectations:

FFS has worked with Wolgast Corporation on several McDonald's Renovation projects across the State of Michigan. Wolgast has become accustomed to the high quality materials that FFS supplies and McDonald's Corp likes the buildings updated look.
