

Using the Canvas Parent Portal in D1115

...

...

During the school year, 7th-12th grade students and teachers will use the Canvas Learning Management System as a common space to engage in learning and share important resources.

As a parent, you now have the option to become an Observer in your student's Canvas classes.

.....

The parent portal in Canvas will allow you to...

.....

- View lessons/activities provided to your students
- Check for missing assignments
- Know when upcoming assessments will occur
- Communicate with teachers

...

.....

- If you started using Canvas Parent last year, you can login with your same username/password
- To set up a new parent account, follow the link “Parent of a Canvas User”. This step requires a student pairing code, explained [HERE](#). Pairing codes are needed for each child you connect.

... **Access Your Parent Account**

The screenshot shows the login interface for District 15 Yorkville's Canvas Parent system. At the top, the district name "District 15" is above a large stylized "Y" logo, with "YORKVILLE" below it. To the right of the logo, there is a link: "Parent of a Canvas User? Click Here For an Account". Below the logo, there are two input fields: "Username" and "Password". The "Username" field contains the letter "I". Below the "Password" field, there is a checkbox labeled "Stay signed in" and a "Log In" button. A link "Forgot Password?" is located below the "Stay signed in" checkbox. At the bottom of the page, there are links for "Help", "Privacy Policy", "Acceptable Use Policy", "Facebook", and "Twitter", followed by the "INSTRUCTURE" logo.
