

Garden Volunteers Needed

The Arboretum is currently looking for new volunteers to join garden groups for two of our most beloved areas: The Rose Garden and the Japanese Garden. The Rose Garden group meets Wednesday mornings and takes care of the pruning, deadheading, and weeding of this beautiful spot. Tools and training would be provided, so you can learn as you go.

The Japanese Garden group meets Thursday mornings. They have a set routine of meticulous care that they provide for this quiet spot of the garden. Both groups are tight knit, fun teams that you will enjoy working with. If you are interested in making new friends and learning new skills, please contact Amy Mead at amead@nhcgov.com if you are interested in joining us in the garden!
