

LEAGUE COURSE ADDITION in 2024 Sweetbriar in Avon Lake

The Chapter is **adding Sweetbriar Golf Club** as a westside league in 2024. This beautiful location includes 9-holes at Sweetbriar and an 18-hole championship course at Legacy. Players will rotate between all 3 courses. Sweetbriar was part of our Chapter several years ago, and after recent renovations, we are excited to return.

We will continue to offer league play on Mondays at Springvale Golf Course in North Olmsted.

A commitment from 12 players is required to offer League play. The following applies:

- League play on Mondays after 4pm (TBD)
- The season runs between 1st week of May through 3rd week of August 2024.
- Play will rotate all 3 courses.
- Course requires Prepayment for the season, due by mid-April. 2023 pricing was \$487 (2024 pricing not yet available)
- Prepayment covers cart & greens fees.
- Prepayment can be used for: golf anytime during the current season only, and merchandise in the pro-shop (no expiration).

All players must be members of LPGA Amateurs.

Additional information will be provided prior to the 2024 season. For questions, please contact the Course Directors:
