About KD's Crafts

KD's Crafts is a one person sewing and embroidery hobby business. As an avid golfer, my focus is making quality, useful accessories to help you organize and show off your love of golf.

My top seller is the customized tote, handmade by me, which is available in three sizes. All totes are created with tough waterproof canvas, embellished with [golf themed fabrics](#) and/or [embroidery designs](#), and fully lined with a water-resistant nylon and full of both slip and zippered pockets; a place for everything. The creation of your customized tote is best managed with a one-on-one conversation – so many choices – I can help walk you through the design options. I have created a [Tote Bag-A-Rama Guide](#) which has many pictures of totes to inspire the designer in you.

I have numerous other products many of which are perfect for league prizes, end of season gifts, new member gift, or a gift for the avid golfer in your life. Keep checking back in as I and am always scouting around and [creating new items](#) too.

Just email, call, or text to start the conversation about purchasing any items in the Product Catalog. I needed a golf tote, maybe you do too!

New Product Alert

Pickleball anyone? What a great game! I know with my tennis background, I find this sport very fun and a way to get exercise in the cold Ohio winter months or when I get down south, pickleball is everywhere.

In support of this great game, I have added 2 [pickleball fabrics](#) to my line-up and have [open style luggage tags](#) available to help you label your gear bag. Or maybe you need a tote with this pickleball fabric for the front slip pockets?
